Acquisition of the building at present occupied by Bangalore City Post Office

--- CB 383-47-1

I am directed to state that the Posts and Telegraphs Department are anxious to have a suitable building for the Posts and Telegraphs office in Bangalore City. Several attempts made by them in the past to secure a plot of land for this purpose have failed. The Bangalore City Post Office is at present located in a rented building which is very old and cramped. The accommodation available is too small to cope with the increased work of the Post Office. Moreover, there are no quarters for the Sub-Postmaster nor is there a lunch or recreation room for the staff. The annual repairs are not regularly undertaken by the landlord; and this causes hindrance to the normal activities of the Post Office. To overcome all these difficulties, the Posts and Telegraphs Department propose to acquire the present building occupied by the Bangalore City Post Office together with the adjoining building and to remodel them both to a suitable design for the purpose of housing the Post Office as well as the City Telegraph Office. I am accordingly to request that, if the Mysore Government have no objection, arrangements may kindly be made for the sale of these buildings to the Indian Posts and Telegraphs Department, New Delhi. An early reply will be greatly appreciated.
